

George was invited to serve on the Board in 2018, while his wife was a Partnerships client. He was elected as Treasurer and is currently Vice President of Communications and the Webmaster.

He comes from the Connecticut manufacturing industry, having been a design engineer and a senior quality assurance manager with companies ranging from 25 person start-ups to the Fortune 500 Lucent Technologies.

George is an appointed Commissioner of the Town of Hamden for the Hamden, New Haven and West Haven Cable Television Advisory Council. He is on the Board of Directors of Temple Beth Shalom in Hamden and currently serves in the Endowment Committee and is the congregation's Webmaster.

George graduated from Rutgers University with a Bachelor of Science degree in Electrical Engineering and did post-graduate studies in Economics and the international ISO 9000 quality management system.
