

Madelin 'Maddie' Chauca, CNA

I live in Hamden with my wonderful husband and 3 beautiful children. I am extremely excited to be a part of the Partnerships family! Born and raised in Queens New York, one of six children, I grew up watching over my younger siblings and my ill grandmother.

After H.S. I earned my CNA license and moved to CT. With 12 years of experience at a variety of skilled nursing homes I love taking care of my clients, listening to their stories, catering to their needs and putting smiles on their faces.
