

Danielle Kalen, Volunteer

I'm Dani, I graduated from Quinnipiac University with my undergrad in Gerontology, Sociology, with a minor in Spanish. I will be getting my grad degree from QU this spring in public relations. I interned at Partnerships during my first semester of my senior year at Quinnipiac, and it was the best time of my life! It truly showed me I made a good choice in getting a degree in gerontology. When I can, I love to crochet/knit, cook and bake, go to Broadway shows, travel, and spend time with my friends and family!!!!
